

TTX™ Minimum Advertised Pricing Policy

PURPOSE

The Mevotech and TTX brand names, trademarks, and logos represent the highest standards of quality in automotive parts. The value of our brands is due in large part to the significant investment we have made and continue to make in innovative product design.

Advertising our products at retail prices discounted below the minimums described in this policy undermines the integrity of our brands and our reputation for quality in the eyes of consumers and how the brand is perceived by consumers.

Mevotech US Inc. is unilaterally implementing this Minimum Advertised Price Policy (the "MAP Policy" or "Policy") for the retail prices of select TTX products designated in the Listing of Minimum Advertised Prices (the "Mevotech Covered Products") **on Exhibit A**. Mevotech's goal in establishing this MAP Policy is to maintain the integrity and premium status of its products and support the strong customer service efforts of our distribution and reselling network by discouraging Advertising that undermines such efforts.

This MAP Policy applies only to Advertising and does not restrict the prices charged by Retailers to U.S. consumers. While those Retailers that sell Mevotech Covered Products remain free to establish their own prices to U.S. consumers, Mevotech US Inc. will, acting independently and in its sole discretion, impose consequences as described below under "Consequences for Violations" against anyone that advertises Mevotech Covered Products in a way that violates this MAP Policy.

UNILATERAL POLICY

This MAP Policy was adopted by, and will be enforced by, Mevotech US Inc., unilaterally. This MAP Policy is not an offer, and is not a solicitation for offers, to enter a contract or an agreement on any price. Mevotech US Inc. will not discuss any conditions of acceptance related to this MAP Policy, which is non-negotiable. Mevotech US Inc. neither solicits, nor will it accept, any assurance of compliance with this MAP Policy. Nothing in any existing or future contract between Mevotech US Inc. and a Retailer shall constitute an agreement of any Retailer to comply with this MAP Policy.

POLICY INTRODUCTION

This MAP Policy establishes advertised retail price standards for Mevotech Covered Products and applies to anyone that Advertises Mevotech Covered Products for sale.

Retailers and anyone else shall not convey or advertise retail prices for Mevotech Covered Products using Advertising at prices less than the minimum advertised price ("MAP") as set forth **in Exhibit A**. Any Advertising that contains retail prices lower than the MAP will be in violation of this MAP Policy.

This MAP Policy does not address, restrict or limit the actual prices at which Retailers choose to sell Mevotech Covered Products to their customers. Each Retailer is free to set its own selling price for Covered Products or any other product independently. Mevotech US Inc. and its employees have no authority to set the retail prices or to otherwise interfere with the establishment of retail prices so long as any Advertised price complies with this MAP Policy.

SCOPE

This Policy applies to all persons or entities that sell Mevotech Covered Products to U.S. consumers (“Retailers”) and that Advertise retail prices of the Mevotech Covered Products. For the purposes of this Policy, “Advertise” and “Advertising” means (a) depicting or referring to a Mevotech Covered Product on or in a place that can be accessed through any hypertext link or by any other method that uses the hypertext transfer protocol (http), including, but not limited to, websites, third-party marketplace websites, third-party shopping tools and other internet sites, mobile sites or smartphone/tablet applications, banner ads, broadcast emails or other means of internet related advertising; (b) any apps or other method that causes an advertisement to appear on a mobile device; and (c) all website or internet features such as automated “bounce-back” pricing emails, pre-formatted email responses, forms and automatic price display for any Mevotech Covered Product.

Retailers of Mevotech Covered Products to U.S. consumers are not required to include retail prices in any Advertising.

This Policy applies to a publicly accessible, Advertised price, but it does not apply after the Checkout stage of an electronic customer transaction. For purposes of this Policy, “Checkout” means that section of a Retailer website after a customer enters personal information that properly identifies a customer, including a shipping address, prior to finalizing the purchase.

In determining compliance with this MAP Policy, Mevotech will take into account all “bundles” or “sets” of multiple Covered Products, price discounts, coupons, gifts, other free merchandise, and other types of incentives or promotional offerings (including, without limitation, any “gift with purchase”) offered in promoting Mevotech Covered Products in Advertising. The value of all such incentives and promotional offerings shall be determined by Mevotech, at its sole discretion, and shall be deducted from the price shown in Advertising to determine the effective advertised price.

This MAP Policy does not apply to advertising that is displayed inside or immediately outside a Retailer’s physical place of business.

This MAP Policy does not apply to direct person-to-person communications, such as individualized communications via telephone, e-mail, letter, text, or electronic purchasing system.

This MAP Policy does not apply to direct e-mail or text communications sent to a Retailer’s customers based on a proprietary customer database created, owned, and maintained by that Retailer.

CONSEQUENCES FOR VIOLATIONS

Violations may result in escalating consequences, ranging from a written warning with a 14-day compliance window to temporary or indefinite placement on Mevotech US Inc.’s Do Not Sell List, and potential prohibition from Advertising or selling Covered Products.

AUTHORIZED SELLERS

At any time, Mevotech US Inc. can distribute a “Do Not Sell List.” It is considered a violation of this policy for any Mevotech Authorized Dealer or Retailer to provide Mevotech products to any entity identified on the “Do Not Sell List.”

MAP POLICY AMENDMENTS and MODIFICATIONS

This MAP Policy may be amended, modified, suspended or terminated at any time and for any reason or no reason by Mevotech US Inc. in its sole discretion. Mevotech US Inc. may modify the products or prices (or

both) that are covered by this MAP Policy at any time and for any reason or no reason in Mevotech US Inc.' sole discretion.

MAP POLICY ENFORCEMENT:

Mevotech US Inc. has the absolute right to unilaterally make all determinations relating to compliance with and enforcement of this MAP Policy in its sole discretion and without notice. There will not be any negotiations or appeals regarding compliance and enforcement determinations. Existence of violations of this MAP Policy by someone other than the subject of enforcement will not excuse a violation of this MAP Policy.

This MAP Policy is in addition to any other terms, conditions, rights, or remedies of any existing agreement between Mevotech US Inc. and any other entity.
